Appointment to DCI Fellowship to the Center for the Study of Intelligence

- 1. Action Requested: Your approval of a letter appointing an additional DCI Fellow to the Center for the Study of Intelligence (CSI) is requested.
- 2. Background: You have approved appointments of four BCI Fellows this year: three in January, and one in March. These Fellows will spend up to a year preparing studies on important issues related to the process of intelligence.
- 5. Staff Action: NFAC has now nominated another office to work on an important topic--advance warning of revolution or "sudden" political change. The study will seek to identify economic, social and political indicators of the impending everthrow of a government, and examine ways in which these can be systematically detected and analyzed to provide timely warning.
